## Family Friendly Combination Packages

### Sharp Shooter Sniper Skills for 4 people

Your experienced instructor will guide you in the skills of safe handling and the usage of both CO2 and PCP air rifles with telescopic sights, once you are set we will introduce you to some basic target training. Skills honed you will move onto our “sharp shooter” training system. The electronic target system is linked to a speed clock which brings out the competitive side of anyone. You must hit the targets in the correct order in the fastest possible time. This activity needs you to keep calm and focused under the pressure of the clock and is a great fun activity for groups. Min age 9 years.

**Cost:** £120 (Additional guests £30 per person)

### Family Air Rifle & Air Pistol Target Shooting for 4 people

Your instructor will take you through the safe handling and usage of a CO2 powered air rifle and telescopic sight. After you have learned the basics then take aim and fire through a selection of fun targets and challenges set by your instructor. After your pistol safety briefing and taking some practice shots you will move onto our M.E.T multifunction electronic target training system. There are many modes available, from simple ‘fastest shooter’ games to more complicated ‘search and destroy’ and ‘time bomb’ modes. Electronic timers test your speed as well as accuracy. The cost includes all safety equipment, targets and unlimited ammunition for all activities. An all-weather shooting area is available for this activity. Min age 7 years.

**Cost:** £100 (Additional guests £25 per person)

### Archery & Clay Target Shooting for 2 people

This activity is a combination of the 25 clay target shooting experience and archery experience. All weather facilities are available for this activity. Min age 10 years.

**Cost:** £100 (Additional guests £50 per person)
