Clay Target Shooting Experience

You will start with an in-depth safety brief that includes an overview of a shotgun and eye dominance before heading out to our under-cover shooting area where you will receive one to one tuition that will ensure you are hitting the targets. Group bookings can finish with an optional mini competition. Your experience includes all safety equipment, shotgun hire, clay targets, shotgun cartridges and tuition.

Cost

25 clay targets: 1-3 people £45 per person or group of 4+ £40 per person.

50 clay targets: 1-3 people £65 per person or group of 4+ £60 per person.

100 clay targets: 1-3 people £120 per person or group of 4+ £110 per person.

Tuition Packages

Suitable for those without a shotgun certificate or in the process of applying or interested in starting out in this sport. The packages include all safety equipment, shotgun hire, clay targets, shotgun cartridges and tuition. These are suitable for all abilities from novice upwards.

Cost

Package of 6 x 50 clay target shooting lessons to be taken over a max period of 12 months £325 (saving £65).

Target Archery Experience

This activity is ideal for anyone wanting to try out this sport for the first time or just a fun challenge within a group of friends or colleagues. The experienced instructor will guide you in the skills of safely handling and using a recurve bow, then take aim from the shooting line and start hitting the target and maybe a few bullseyes. The cost includes all safety equipment and unlimited shots. Once you have the basics groups can finish with an optional scored fun competition. An all-weather shooting area is available for this activity.

Cost

2-3 people £35 per person or group of 4+ £30 per person.

Air Rifle Target Shooting Experience

This activity is ideal for anyone wanting to try out this sport for the first time or just a fun challenge within a group of friends or colleagues. The experienced instructor will guide you in the skills of safely handling and the usage of either a CO2 powered or PCP air rifle and telescopic sight. After you have learned the basics then take aim and fire through a selection of fun targets and challenges set by your instructor. The cost includes all safety equipment, targets and unlimited shots. Groups can finish with an optional scored fun competition.

An all-weather shooting area is available for this activity.

Cost

2-3 people £35 per person or group of 4+ £30 per person.

Replica Rifle and Pistol Target Training

You will be introduced to our range of electric airsoft weapons. Our range includes replica assault rifles such as the M4, AK47 or G36 and replica pistols such as the Glock 18, M9 or 1911. Weapons fire a small plastic bb at a rate of up to 15 rounds per second. After completing your safety briefing your instructor will go through the operation and loading of each weapon before moving onto your target training. You will use our

 **ATTACK SENSE** electronic target training system where there are many modes available, from simple fastest shooter games to reaction tests, hostage rescue modes and time trials to name a few. Electronic timers record each user's speed as well as accuracy. The cost includes all safety equipment, targets and unlimited ammunition for all weapons. An all-weather shooting area is available for this activity.

Cost

2-3 people £35 per person or group of 4+ £30 per person.

Air Rifle & Replica Pistol Target Shooting

Your instructor will take you through the safe handling and usage of a CO2 powered or PCP air rifle and telescopic sight. After you have learned the basics then take aim and fire through a selection of fun targets and challenges set by your instructor. After your pistol safety briefing and taking some practice shots you will move onto our  **ATTACK SENSE** electronic target training system where there are many modes available, from simple fastest shooter games to reaction tests, hostage rescue modes and time trials to name a few.

The cost includes all safety equipment, targets and unlimited ammunition for all activities. An all-weather shooting area is available for this activity.

Cost

Minimum group size 4: £40 per person.

Archery & Clay Target Shooting

This activity is a combination of our 25 clay target shooting experience with our target archery activity.

Cost

2-3 people £70 per person or group of 4+ £60 per person.

Archery, Replica Rifle & Pistol Shooting and Clay Target shooting

This combination package includes an overview and safety instruction followed by a taster of each of the listed activities. The clay target shooting session will include 15 targets per person, all other activities include unlimited ammunition. All activities can be scored if you would like a competition element. All of these activities can be held in our all-weather areas.

Cost

Minimum group size 4: £70 per person.
